

Job Description

Job Summary

Registered Manager: Residential Children's Home

You will be based in the beautiful Vale of Belvoir to open a new home supporting children aged 6 - 18 years. You will be integral to setting up the new service and then becoming the Registered Manager with a new team of care staff who work flexibly to meet the needs of children. Our company offers Registered Managers freedom over referrals so that we always get it right and the offer to be part of a well established, supportive management team which continues to develop year by year.

Job Type / Category

The PLACE Young People's Company provides residential care, education and adventure services to children 6- 18 years, specialising in working with children who have experienced early childhood trauma and attachment difficulties. All of our services work on an attachment-based parenting model informed by DDP (Dyadic Developmental Psychotherapy) practice underpinning all of our therapeutic work.

We are looking for a Registered Manager to open a new service for up to 4 children aged 6 - 18 years. Our ideal candidate will be adventurous, passionate about the outdoors and positively engaging young people and want to work closely with our homes and services to improve outcomes for children in care. We want a manager who can use their own initiative, lead a team to greatness and use their skills to move the service forward.

As a small company we offer opportunities for development and growth to suit people's personal strengths and abilities.

Required Education, Skills and Qualifications

Applicants must have:

- NVQ Level 3 Children's Workforce/Residential Childcare or equivalent
- NVQ Level 5 Residential Management or equivalent
- A minimum of 2 years supervisory experience within residential childcare or equivalent
- A minimum of 3 of the last 5 years working within residential childcare or equivalent

Benefits

Salary £32-43k per annum.

Full training will be provided including DDP Level 1 & 2, Team TEACH, professional qualifications and development and high levels of supervision and support including therapeutic consultation from our Therapeutic Lead and Specialist Services team.
